Entry Fee: \$250 + \$25 to USHJA
- Participation:** Open to horses and riders who are members in good standing with the USEF and the USHJA. Foreign residents and horses in good standing with their national federations are eligible to compete; however points will not count unless they are also members of the USEF and USHJA. Horses competing must have competed in (2) additional classes at the same show.
The number of horses a rider can compete is not limited. The same horse may not compete in the USHJA National Hunter Derby and the USHJA International Hunter Derby at the same competition.
During the two rounds of the National Hunter Derby, all horses entered must be ridden in official horse show schooling areas unless Management designates a specific schooling area for National Hunter Derby horses. Riders must wear their horse's Derby competition number while mounted. This includes horses entered simultaneously in another class, if any. Entered horses ridden or schooled elsewhere on the competition grounds or NOT wearing their Derby competition number will be eliminated from competing in the Derby and the entry fee will be forfeited.
- Jog:** Horses will not be jogged for soundness. Any unsoundness during the competition will be reflected in the judges scores.
- Start Order:** The order will be posted before one hour prior to the start of the class. In the first round all the horses' names are drawn individually starting with the first position and then working down. In the case of riders with more than one horse management will pre-select the draw positions making every effort to have at least eight horses between rides. In the second round the order will be the reverse of the First Round scores (lowest to highest).
- Attire:** Buff breeches and shad belly or white breeches and dark or scarlet coat, hunt colors coat or official sponsor or team jacket.
- First Round:** The first round shall be judged on performance, hunter pace, jumping style, quality and substance, and movement. After the judges base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
Fences: 3' with four option fences set at 3'5".
Classic Hunter Style Course (First Round) 1. A minimum of ten obstacles must be offered in the Classic Hunter Round. 2. At least one in and out 3. At least one bending line 4. At least one line with an unrelated distance 5. At least one long approach
- Second Round:** The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness and brilliance of pace. Handiness is defined as ground saving movement without adversely affecting performance or style. Brilliance of pace is defined as a faster pace than ordinary, without sacrificing performance or style. Handiness is taken into account in the judges' base score. After the judges' base score is given, one point will be added for each high option fence jumped. The Option Bonus Score of one additional point must be awarded even if there is a refusal, rail down or loss of good jumping style at that higher height option fence, providing that the horse-and-rider combination does jump the higher height option fence. (Maximum of four points.)
Handy Hunter Course (Second Round) 1. A minimum of eight obstacles must be offered in the Handy Hunter Round. 2. The course should simulate riding over hunt country and must have a minimum of two handy options, such as: tight turns, different tracks, clever options for jump approaches, pen type obstacles, hand gallop a jump, trot a lowered obstacle not to exceed 2'6" in height, halt and/or back. Gimmicky options are not appropriate. 3. Unless the prize list states that more than 12 entries are to return for the second round, then only the top 12 horses from the first round, after all ties are broken, are eligible to return for the second round.
- Overall Score:** The final score from each round will be either averaged or added as specified in the prize list to obtain the overall total for each horse.
- Ties:** A. Neither judging panel may award the same base score to any two competitors in any one round unless a competitor's score is below the cut-off score. B. All ties in all rounds will be broken by the base score (before adding height bonus points) of that round. C. Unless the prize list states that more than 12 entries are to return for the second round, only the top 12 horses from the first round, after all ties are broken, are eligible to return for the second round. D. All ties for overall first place in the class will compete in a jump-off round. In the case of unsafe conditions preventing a jump-off from being held, the tie will be broken using the second round base score (before adding height bonus points). E. Ties for other than first place in the overall standings will be broken using the second round base score (before adding height bonus points). Awards: Judges are required to pin to 12th place (plus two reserve placings) for the purpose of awarding zone bonus points. Chagrin Hunter Jumper Classic

Philip J. De Vita

I am a second generation horseman and have been involved in the horse show industry my whole life. I have been very fortunate to have the best mentor throughout my life, the one who has always been a guiding force for me—my father. Working with him and in my own businesses I have had many opportunities in this great industry. I have been blessed with an incredible wife who has given me three awesome boys. My family is why I strive to be the best that I can be in every part of my life and career.

As a licensed official for the USEF, I hold judges licenses in Hunter, Equitation, Hunter Breeding, Jumpers, and am a licensed Hunter and Jumper Course Designer. I hold a 2* Course Designers and 3* Judges license as an FEI official. I have served on Committees for USEF and USHJA and am Chairman of the USHJA Officials Committee in 2016. I have taught Judges clinics for USEF in Hunter, Equitation, Jumpers, and Hunter Breeding. I have taught the Hunter and Jumper Course Designers Clinics for USEF and USHJA. I enjoy teaching, and it allows me to continue being involved in an educational way in an industry that has given me so much.

When I work with students as a clinician, I focus on solid basics, position and confidence building. My goal is to help students understand what they are being reviewed on from a judge's perspective when they ride in the show ring.

Clinic sponsor, Buckeye Veterinary Service, is a three-veterinarian equine practice with the philosophy that quality medicine and the client and patient come first. The practice offers multiple treatment and diagnostic modalities for horses including an in-house laboratory, digital radiography, digital ultrasound, endoscopy/gastrosocopy, and power dental equipment. Buckeye recently welcomed Dr. Thomas Shaw to the practice and is proud to be the official veterinarian for the Chagrin Hunter Jumper Classic and sponsor of the Philip J. De Vita Hunter Jumper Clinic.
